Home of the 2009 State Amateur, Cedar Point opened in 1964 and in 2004, the course underwent an extensive \$2.7 million golf course renovation designed by renowned golf course architect Tom Clark. The par-72 course now features Tif-Sport Bermuda tees, fairways, and rough as well as drought and heat resistant A1/A4 bent grass greens. Cedar Point boasts five sets of tees with yardages ranging from 5050 to 7160 yards. The Members enjoy outstanding year-round play as a result of improved drainage, excellent irrigation and full cart paths.

*Golf Digest* recently recognized our Par 3 course as one of the Top Ten in the country. We also offer an 18-station driving range, putting green and chipping area to complete the golf experience. Our fully stocked Pro Shop provides the latest in golf technology and fashion.

One of the many unparalleled benefits of the Cedar Point golf experience is that our Members have no difficulty securing a desired tee time and easily complete their rounds in 4 hours!
